Accommodation for Erasmus+ Students

The Tbilisi Teaching University Gorgasali offers a number of different types of accommodation. We feel Erasmus students would benefit most by applying for dormitory accommodation, as this will give you first-hand experience of living amongst fellow students from a variety of cultures and backgrounds, and who study across a number of different course disciplines. Contact the International Office for further information together with costs.

To make your accommodation application smoother all you need to do is complete the application form (with your required preference) and send it to the administrator in the International Office who will be happy assist. We strongly advise you to apply for accommodation as early as possible as our accommodation is not guaranteed as it is offered on a first come, first served basis.

If you are unsuccessful in your first choice application then our accommodation officer can help with alternative accommodation that may suit your needs and budget.

English language

Please note that all incoming students are expected to already have obtained a high level of English before embarking on their studies at the Tbilisi Teaching University Gorgasali. We do however offer academic and literacy support, as well as in-sessional English tuition, to all incoming students.
